REPORT ON MONTHLY AWARENESS PROGRAM FOR THE MONTH OF JULY 2022

TOPIC- CAPITAL/ IMPORTANT CITIES

To make students learn about the awareness program, information about various capitals and important IT cities in Maharashtra was given. Each class was given different activities. For e.g., Chart making, project making, to write special facts about important cities. Students were given guidance to complete these activities.

Interesting and informative collage charts, posters, activity books are made. Speeches about Mumbai and Pune were given by students in English. The charts made by the students were put up for display showcasing their hard work and creativity.

In this way, awareness program was a great success because of enthusiasm showed by students.
